Next Club Meeting:

June 4th, 2015, 7:30pm

Where: Golden Corral

Come early if you want to eat!

From the President's Hangar

I am writing this with a heavy heart. Ginger Foley (Jeff's wife) lost her battle with cancer on Wednesday May 27th. She was a wonderful lady and was loved by everyone who knew her. Please keep Jeff, Brad and Laura in your thoughts and prayers at this difficult time.

The club meeting will be held at the Golden Corral, Thursday June 4th at 7:30 pm. this month. The room will be available at 6:30 so come early to eat. Hope to see you there.

Not a lot to cover this month, except a BIG thank you for everyone in our club who helped out with this year's very successful "First in Flight Jet Rally" held on May 20-24th. We had 128 registered pilots and beautiful weather, so that produces lots of flying!! Thanks to the City of Wilson for allowing this event and supporting it. Thanks to the new airport management for working with us as well. Thanks to Robert Whitley, Allstate Fire Protection for the fire equipment. It was a fun five days of jet flying at its best. Pictures are on Facebook under First in Flight. I'm already looking forward to next year.

Thanks again for your participation and help.

There is still some maintenance work for the flying field that will be done this summer, but the field is looking good, so come out and burn some fuel!!

There are lots of events every week all over our state, let's go and support these clubs as much as possible, they support us!! Thanks.

That's all for now,
See ya at the field, Wheels down for landing!

Meeting Minutes –May, 2015

The Tarheel RC Flyers met at Town Creek Field on May 7, 2015. President Mark Farmer called the meeting to order at 7:50 PM. There were fifteen members and three guests present.

Reading of the Minutes was tabled until next meeting

Treasurers Report- Jimmy Morgan gave the treasurer’s report.

Safety Report- Greg William said that a jet veered off to the right side of the runway, no damage to the jet or property. Mark farmer suggested that we request seeing proof of AMA and turbine waiver for pilots unknown to us. Club member expressed concern about arming and run up of motors under the shelter. It was agreed that it would be best to do motor run-ups at one of the starting stations.

Field Report- A.B. Gentry reported that some boards needed replacing on the shelters, and there were ruts at the outer edge of the east end of the runway. The noodles for the starting stations have been purchased and are in place.

Newsletter/Website Report- Dave Chewning ask if anyone had used the link he put in the Newsletter. Several said they had used the link and enjoyed the content. Dave requested guidance on when to Email or send a hardcopy of the newsletter, discussion followed.

Recent Events- Mark Farmer thanked everyone for help at the Tad Dietrich fly-in. Raffle Prize to be delivered. Grill won by Jeff Foley.

Business-

- Kenny Kicklighter has not yet been added to the check signature card.
- Jeff Foley discussed the “Wings and Wheels” event to be held at the Roanoke Rapids airport. An RC Flying demonstration to be done.

Motion to adjourn made by Joey Joyner and seconded by Duncan Tatum, motion passed. .

Respectfully submitted, Kenny Kicklighter

No report this month. Fly safe.

**Vice-President/Safety Officer
Greg Williams
"Safe flying is no
accident".**

Field Marshall A.B. Gentry

Field Report

Hello to everyone
First of all, I would like to thank all that helped at the field before the last fly-in, it makes thing get done in a timely manner. THANK YOU...About the ant hill problem at the field, I have done some searching around, and found a safe fix to get rid of the ants without killing them and it's environmentally safe. It's white vinegar and water mixed 1 to 1 ratio and sprayed the field. So, I got a gallon of vinegar and mixed it, went to the field, sprayed it on an area about 6 feet x 20 feet. I started back to the field the next day to see the results, and along came a trash floater rain on the way.... So I don't know the results yet. To be continued... Here's a pic from the field on Sunday.

From the Editor

Getting hot out there, I guess summer's coming. I've put some pictures on page 5. They were taken by A.B. at the LaGrange fly-in. Thanks A.B. Here's a link to a video from the First in Flight Jet Rally last weekend.
